# 4WD WRTD 60-80

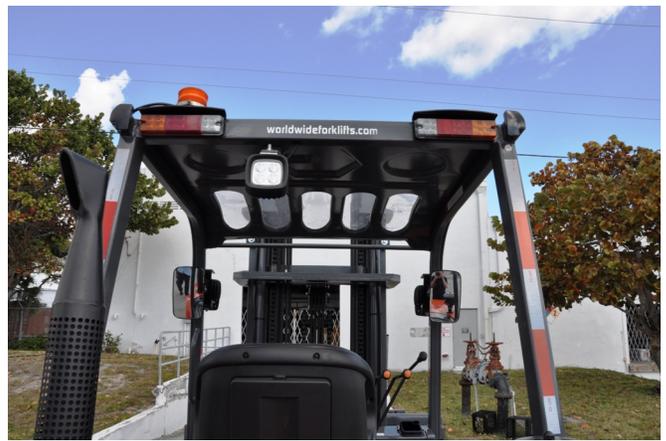

## FEATURES & BENEFITS

- HATZ 4H50TIC EU3B 55KW@2600rpm Tier IV Approved-Turbo Charged
- Fuel injection and air-handling systems improve combustion and reduce emissions. Hatz engines are designed for toughness, durability and reliability.
- Power shift (Automatic) transmission with separate inching and brake pedals, offers positive operation in tight working areas, especially beneficial working on ramps and inclines.
- High visibility design mast with side thrust rollers in the carriage for smoother operation and longer life of the mast components.
- Fully Hydrostatic Power Steering for smoother operation and many fewer parts for lower maintenance costs. This utilizes the largest cylinder and thickest steel for protection of any forklift in its class!
- Multi Wheel Wet Disc type brakes for positive braking performance and maintenance free design. Mechanical lever type parking brake for reliability.
- Control Handles are mounted on the dash for operator convenience and also allows the operator to enter/exit the operator compartment from either side of the machine comfortably

**The World-Lift 4WD Mini Rough Terrain is designed to work in Sand, Gravel, Grass, Mud and other areas where a normal 2WD pneumatic tire forklift will not. Excellent for farmers, construction areas or other applications requiring a rugged 4WD lift. It's smaller size compared to other RT forklifts allows it to work in a tighter turning radius environments. Large lug type tires and higher ground and mast clearance helps to prevent bogging down in non hard surface areas. Electronic switchable between 2WD and 4WD on the fly. Hatz Tier IV approved Diesel Engine.**

- Tilt Steering Wheel
- Adjustable Seat
- Seat Belt
- Dual Head Lights
- Front Turn Signals
- Rear Turn Signals
- Brake Lights
- Back-up Lights
- Back-up Alarm
- Neutral Safety Switch
- Welded Overhead Guard
- 80L Fuel Tanks
- Integral Hydraulic Tank
- High air intake
- Cyclone air cleaner
- Insulated engine cover
- Hand hold for entry
- Radiator overflow bottle
- Third valve & lever
- Horn
- Hour Meter
- Charge warning light
- Temperature warning light
- Oil pressure gauge
- Key switch
- Safety load backrest
- ITA Class III forks & carriage
- Easy access floor boards
- Rubber safety mat
- Meet or exceed all ANSI B56.1
- Safety standards for powered industrial trucks and underwriters laboratories requirements as to fire hazard. EPA Compliant. EC and ISO Certified

# Technical Specifications

## Standard Equipment

- Two Stage Mast
- Pneumatic Tires
- Hatz Diesel
- Tier IV
- Auto
- Transmission
- Headlights
- Back Up Lights
- Turn Signals
- Slip Diff Axle
- Mirrors
- Load Backrest
- Seat Belt
- Tilt Steer Wheel
- 3rd Valve
- Operator Manual
- Standard Forks

## Optional Equipment

- Diesel Engine
- Hatz 4H50TIC
- Various Masts
- Standard
- Full Free Lift
- Triplex
- Various Tire
- Options
- Solid
- Foam Filled
- Fork Positioner
- Side Shifters
- 4 Way Hydraulics
- Much More!
- WRTD60-80
- 4WD
